Safe Home Visiting

**How can Safe Home Visiting benefit Parents/Carers,
Children and Service Providers?
Join this Workshop to find out how!**

This half-day Online Workshop will explore home visiting as a family work strategy, with a focus on developing positive relationships and implementing safe home visiting practices. Participants will take a proactive approach to identifying and managing risks, using a range of tools including organisational resources, risk assessment, hazard identification and environmental awareness.

The Workshop will also help you to develop strategies to identify and respond to challenging behaviours and explore how to de-escalate situations that may arise with clients when 'home visiting'.

**This Workshop has been updated to include current
COVID-19 information.**

**REGISTER NOW! PLACES ARE STRICTLY LIMITED TO ENSURE THAT YOU
EXPERIENCE A HIGH LEVEL OF ENGAGEMENT AND INTERACTIVITY.**

Learning Outcomes:

- Increased understanding of the benefits of and evidence for effective home visits in family work;
- Increased ability to identify and address safety challenges when home visiting;
- Increased ability to use information about Covid-19 in home visiting risk assessment, and
- Increased skill in having challenging conversations in the family home.

Facilitated by Bronwen Elliott – Bronwen has many years experience working with families, children and young people and assisting the agencies that work with them. Bronwen's interests include promoting strengths, understanding self-protective strategies and identifying effective ways to engage family members and encourage the challenge of change.

To participate in this event you must have access to a PC with video capabilities and a reliable internet connection.
